

### **EXAMINER'S AMENDMENT**

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Joseph Barich on June 23, 2005.

The application has been amended as follows:

In claim 34, line 9, before "wherein", the phrase "at least of the one unit band-pass filtering and under sampling bins from the transmitter to provide a signal corresponding to a fewer than all of the bins transmitted by the transmitter" has been inserted.

In claim 39, line 9, before "wherein", the phrase "at least of the one unit band-pass filtering and under sampling bins from the transmitter to provide a signal corresponding to a fewer than all of the bins transmitted by the transmitter" has been inserted.

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Duc Ho whose telephone number is 571-272-3147. The examiner can normally be reached on Monday-Friday from 8:30-5:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Huy Vu can be reached on 571-272-3155. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free).
